 MARCH 22-24, 2024

# Welcome to the 2024 NCWG Conference

I'd like to personally welcome you to the NC Wing Conference. Our entire team hopes that each of you will find value and benefits from all the planned events. Also, please spend time getting to know your fellow members. Take advantage of the face-to-face interactions and bring something back to your units to continue our progress and growth.

I encourage you to take advantage of the many seminars available during this conference. Whether you are a new or a seasoned member of the Civil Air Patrol, these seminars will offer you updates on the new regulations, supplements, and other valuable information that you can take back to your squadron. Take advantage of the opportunities to interact with the NCWG HQ staff, the MAR HQ staff, and the National HQ members in attendance. Broaden your knowledge of our organization and find ways to bring that back into play, supporting your fellow volunteers.

I think you will find that attending the NCWG 2024 Conference will be a lot of fun and it is even better to come to know your fellow volunteers from across the wing. It is an exciting time in NCWG as we continue to grow while remaining adaptable, motivated, and responsive to the three core missions of the Civil Air Patrol: Emergency Services, Cadet Programs, and Aerospace Education. Thank you again for attending this year's conference and for the many hours of service you give to the Civil Air Patrol and the North Carolina Wing. Without you, none of this would be possible. It is your commitment to excellence and dedication to serving others that make all things possible in CAP and provide meaningful impacts across all our core missions. Welcome to Greensboro, NC, and thank you for taking the time to join us in 2024!

Col Dennis Bissell  
NCWG Commander
