COVID - 19 SYMPTOM & TEMP CHECKLIST

If member replies YES to any of the first three questions below or if temperature is $\geq 100.4F$, the member should be instructed to: GO HOME, STAY HOME, & CALL YOUR HEALTH CARE PROFESSIONAL

1. In the last few days have you had a fever (temperature over 100.4F) without having taken any fever reducing medications?
2. Cough?
3. Shortness of Breath?

The following are additional symptoms that may indicate a COVID-19 infection and might need to be investigated further with the member's health care professional:

4. Recent loss of Smell or Taste?
5. Muscle Aches?
6. Sore Throat?
7. Chills?
8. Headache?
9. Have you experienced any gastrointestinal symptoms such as nausea/ vomiting, diarrhea, loss of appetite?

In addition to symptoms, positive answers to either of the following would indicate the possible need for the member to not attend the meeting:

1. Have you, or anyone you have been in close contact with been diagnosed with COVID-19, or been placed on quarantine for possible contact with COVID-19?
2. Have you been asked to self-isolate or quarantine by a medical professional or a local public health official?

IF ANY OF THE ABOVE QUESTIONS HAVE BEEN ANSWERED "YES", THE MEMBER SHOULD BE ASKED TO RETURN HOME IMMEDIATELY BEFORE ENTERING THE MEETING FACILITY.
