# POCKET SCHEDULE

EMBASSY SUITES  
GREENSBORO, NC  
MARCH 10-12, 2023

## Welcome to the 2023 NCWG Conference

I'd like to personally welcome each of you to the NC Wing Conference and Banquet here in Greensboro, NC. It is our entire team's hope that each of you will find value and benefits from all the planned events. Also, please spend time getting to know your fellow members. We have spent much time apart over the last few years, so please take advantage of the face-to-face interactions and bring something back to your units.

I encourage you to take advantage of the many seminars that will be available during this conference. Whether you are a new member or a seasoned member of Civil Air Patrol, these seminars will offer you updates on the new regulations, supplements, and other valuable information which you can take back to your squadron. Take advantage of the opportunities to interact with the NCWG HQ staff, the MAR HQ staff and the National HQ members in attendance. Broaden your knowledge of our organization and find ways to bring that back into play, supporting your fellow volunteers.

I think you will find that attending the NCWG 2023 Conference will be a lot of fun and time to come to know your fellow volunteers much better. It is an exciting time in NCWG as we continue to grow while remaining adaptable, motivated, and responsive to the three core missions of the Civil Air Patrol: Emergency Services, Cadet Programs, and Aerospace Education.

Thank you again for attending this year's conference and for the many hours of service that you give to the Civil Air Patrol and the North Carolina Wing. Without you, none of this would be possible. It is your commitment to excellence and dedication to serving others that make all things possible. It is your commitment to excellence and dedication to serving others that make all things possible in CAP and provide meaningful impacts across all of our core missions. Welcome to Greensboro, NC and thank you for taking the time to join us in 2023!

Col Dennis Bissell  
NCWG Commander
